

# Hearing Loss Community Meetup: Bone Anchored Solutions

## Royal Oak, MI

This event is an opportunity to learn about the latest in hearing technology, how to navigate the process of selecting a hearing device and meet people from the local hearing community. Guest speakers, as well as an open discussion, will enable you to hear first-hand experiences from fellow bone anchored hearing system users and learn more about bone anchored hearing devices as a possible hearing solution.

**Thursday, November 30, 2017**  
**6:00 - 8:30 pm**

**LOCATION:**  
**The Office Coffee Shop**  
**402 S. Lafayette Ave**  
**Royal Oak, MI 48067**

There is no charge for this event; however an RSVP is required to reserve your spot. To RSVP, please email Elizabeth Flores at [lflo@oticonmedical.com](mailto:lflo@oticonmedical.com).
